

Name:

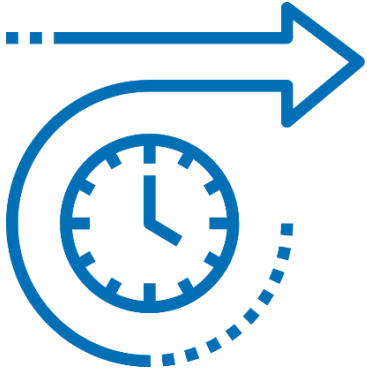

Date of Birth:

At Gresleydale we want to ensure we are doing everything we can to make it easy for you to access health services. This may mean we need to make a reasonable adjustment for you.

A reasonable adjustment is a small change we can make to make appointments and communication easier for you.

Please **circle** your answers

Do you need us to communicate with you in a particular way? For example Makaton, BSL, language interpreter	
Yes No I don't know	
Comments:
